

Vision

Padre Pio Academy embraces the collaboration between students, parents and staff to prepare students to exceed their potential. We strive to achieve high standards by integrating academic rigor of the mind with the spiritual development of the soul. Providing a strong classical curriculum with emphasis on thinking and writing skills is achieved by making use of the Seton Home Study and Our Lady of Victory to enrich our curriculum.

"It is far better to build children than to repair men."
-St. Padre Pio of Pietrelcina

Faith in Education

Mission

The mission of Padre Pio Academy is to graduate students with academic excellence, leadership skills and distinguished moral principles who contribute to society and are exemplary citizens that fully live and love the values of traditional Catholicism.

Sanctity

Our Story

Padre Pio Academy is a private, independent, traditional Roman Catholic K-12 college preparatory school founded in 1983 by a group of concerned parents. The school was established to offer a challenging curriculum, providing students with knowledge, character and a moral foundation. Our founder, Father Schell, established the school as a non-profit organization to ensure the legacy and gift of traditional Catholic education could be entrusted to future generations.

Learn. Share. Serve.

Padre Pio Academy is
AFFORDABLE!

Compare against other local schools for 2018-2019 school year...

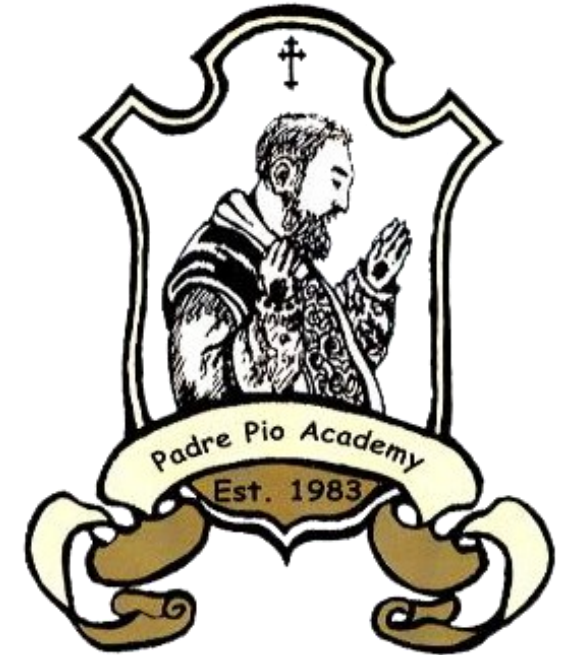

School	Grades	Annual Cost	Enrollment Fee	Teacher-Child Ratio
